ITINERARY

EDUCATIONAL EXPOSURE TOUR

Albay Tourists and Educational Destinations

1 Day Tour

6:00 am	-	Assembly for prayers with tour safety briefing
6:30 am	-	Start of travel to Albay province via Sabloyon
	-	Rolling tour of Tiwi power-generation drillings at the mountain site of Tiwi Geothermal Plant
	-	Tiwi Church and Ceramics/Pottery outlets - One of the churches visited by pilgrims. The side of the church is pottery and ceramics outlets made through the primitive and the most modern technology of ceramics. Tiwi can provide the world with world-class decorative ceramics made of terra cotta, the red clay, with employed glazing technology (History and Technology& Livelihood subjects)
	-	Tabaco Tourist Center and Pilinuts/Abaca/Cutlery products outlets – stopover and optional shopping of souvenir shirts and pilinuts/abaca and cutlery products (Technology and Livelihood subject)
	-	Stopover at Sto. Domingo Mayon Volcano Gully and Memorial Marker – a brief lecture on the volcano passage of lava during eruptions and marker to those who died and/or missing during the eruption (Science/History subject)
	-	Lunch and Free time at Pacific Mall Legazpi City - situated in the center of Landco Business Park, which stands out as the region's first and largest shopping mall.
	-	Embarcadero Mall and seaside shows - The waterfront and roadway of the Port of Legazpi City, Albay Province, derives its name from the Spanish verb <i>embarcar</i> , meaning "to embark". Embarcadero itself means "the place to embark" (History/Entrepreneurship subjects)
	-	Legazpi Boulevard – one of the new infras attraction of Bicol considered as the second longest seaside boulevard in the country with entertainment and recreational activities along the roadside.
	-	Legaspi City Port – viewing with briefing about the shipping industry and the opportunities of Maritime study which USANT offers in the college level (Science and Career Guidance)
	-	Daraga Church - An 18th century baroque church poised on a hill with commanding views of the sea and Mayon Volcano. Its stone masons suffused the facade with statuary, carvings, alcoves and niches at different levels. This Church was built after the eruption of Mayon Volcano which covered the original church of the town at Cagsawa (History and Science subject)
	-	Cagsawa Ruins - A historical place devastated by Mayon Volcano eruption in 1814. It stand today as a park with the church belfry as a background. Inside and outside the park are souvenir outlets of Bikol native products, T-shirts and other collector's item (History/Science/Livelihood subjects)
	-	Travel back to Cam Sur with stop-over in Pansit Bato Factory
6:00 pm	-	ETA in Cam Sur
